About Me

I'm an enthusiastic and creative professional with a strong foundation in UX/UI design, front-end development, and graphic design. I'm driven by a passion for crafting intuitive user experiences with responsive interfaces and thrive in collaborative environments where I can quickly adapt and contribute innovative ideas. I always seeking for opportunity to improve my knowledge and skill.

Experience

Design Studio HCMC

Graphic Designer · Part-time

Nov 2022 - Present

When participating in the studio, I gained a strong foundation in creating logos, banners, posters, and other visual materials. Learned to collaborate with peers, propose design ideas, and bring concepts to life using Adobe Creative Suite.
